I thank everyone who supported us through out this project: Mrs. Kornelia and Mr. Thomas Arens, AIDA "Cruise and Help" and "Fly and Help", and the staff of the German Federal Ministry for Economic Cooperation and Development (BMZ). It was wonderful to have the Chairman of the Bildungswerk Westafrika e.V. with us. We are especially grateful to him for his tireless efforts in all exchanges with BENG0 – and we thank the staff of BENG0 for their patience. It is impressive how this enormous network leads to such wonderful results.
